INDEPENDENCE DAY PARADE 2017

Welcome to the parade

Jessica Striegle

Welcome to the 2017 Northville Independence Day Parade! We are so glad you are here.

Since 1998, the Northville Community Foundation has coordinated the 4th of July Parade in Northville.

Our mission as an organization is to enhance and enrich life in the community and our planning and execution of the Independence Day Parade is just one way that we work to meet that mission. Throughout the last 19 years, our goal has been to create a fun and celebratory event that brings the community together. When we see you, your friends, neighbors, and family enjoying the festivities, we know we have succeeded in that goal and we thank you.

The Northville Community Foundation could not present the Independence Day Parade without hundreds of people who work behind the scenes to make it happen. We owe a great deal of gratitude to the many hard-working volunteers who help coordinate the parade, the wonderful parade participants who you will see featured today, and the fantastic local businesses, like St. Mary Mercy Livonia, who sponsor this event.

We love to see the community come together on this day and thank you for joining us for the Independence Day Parade.

Jessica Striegle
Executive Director

Two decades of service

Northville Community Foundation marks 20th year of contributions

This year marks the 19th year the Northville Community Foundation (NCF) has planned and executed the Northville 4th of July Parade. Each year, the goal of the parade is to bring the community together in joyful celebration of our nation's independence and freedoms. This week, the Northville Community Foundation also marked another milestone - the nonprofit has now been serving the Northville community for 20 years.

Founded on July 2, 1997, the Northville Community Foundation was established to enhance and enrich life in the community. In the early years of the organization, the Northville Community Foundation coordinated the Northville Township Centennial Celebrations, began presenting the 4th of July Parade, and established educational scholarships and senior citizen gift programs that continue to this day.

At that time, the Northville Community Foundation also began building invested funds, which are

used to meet both the present and future needs of the community. The earnings from these funds, which are designated for a variety of purposes, are used to annually award grants to worthy nonprofit organizations and community programs. As the funds grow, or new funds are established, the Northville Community Foundation has the ability to award grants in larger sums and to more programs each year.

In 2016, the NCF awarded grants to 12 organizations including: Beyond Belief Senior Theater and Chorus, Friends of Maybury State Park, Friends of the Northville Art House, New Hope Center for Grief Support, Northville High School Symphonic Band, Northville Historical Society, Northville Senior Adult Services, Northville Township Police Department's D.A.R.E. Program, Northville Youth Assistance, Tipping Point Theatre, Thornton Creek Elementary School PTA, and Special Ministries of Livingston County (donated through a Donor Advised Fund). Through July 31, the NCF is accepting applications for the 2017 grant cycle, which will be awarded this fall.

Founded on July 2, 1997, the Northville Community Foundation was established to enhance and enrich life in the community.

As NCF steadily grew in presence in the Northville community, so did the desire to increase their impact as opportunities presented themselves. In the fall of 2003, that motivated the NCF to reach an agreement with the State of Michigan to assume operations of Maybury Farm. This was no small task as a fire in early 2003 had caused loss of the main barns and most of the animals. However, NCF saw this as a unique opportunity to use their established presence to unite the community in raising funds and support to rebuild and reopen the farm. Through the generosity of hundreds of volunteers and dozens of local businesses, the NCF was able to accomplish its goal and Maybury Farm was reopened to the public in September of 2005.

Since that time, Maybury Farm has seen tens of thousands of visitors from throughout Southeast Michigan and beyond. The mission of the farm is to connect children and families to animals, agriculture and native Michigan habitats. Maybury Farm houses more

MBT

Monroe Bank & Trust

The variable Annual Percentage Rate (APR) is based on the Prime Rate (which as of June 5, 2017 is 4.00%). Your rate will depend on your credit qualifications and loan-to-value ratio, and will range from a variable APR of Prime - .01% (currently 3.99% APR) to Prime + 1.00% (currently 5.00% APR). In any event, your APR will never exceed 25% per annum. Rates assume a pre-authorized transfer from an MBT deposit account. Add .25% to stated rates when a pre-authorized plan is not established. Minimum credit limit is $5,000. No appraisal fee or title insurance required on loans of $100,000 or less. Property insurance is required.

than 70 farm animals, a Farm Garden, more than 40 acres of fields and dozens of acres of forest. The farm offers a wide variety of educational programs including: Farm Camp, experiential Farm Tours for schools and groups, festivals with farming demonstrations, Learning Barn Storytime, and more.

A renewed focus on enhancing Maybury Farm, beginning in 2016, has been the catalyst for significant improvements to the grounds, operations, and programs. The NCF and the staff are continually looking for opportunities to increase and improve the educational components of all events and activities offered at Maybury Farm. New farm tours have been developed that align more closely with the Michigan science standards, opportunities for hands-on learning experiences have been added, and enhancements have been made to the volunteer program and farm facilities. Maybury Farm staff members and volunteers work together and with the community practicing the values of respect, kindness, and gratitude. All of the farm programs are developed with a focus on the mission of helping people to make the important connections between their food and fiber and the amazing animals and agriculture that provide them.

The Northville Community Foundation hasn't limited the organizational changes to just Maybury Farm. Since 2015, the NCF has shift-

ed their focus to building a deeper connection with their community by reexamining their programs, finding opportunities to partner with other local organizations, and participating in community events. The growth at Maybury Farm reflects the greater growth of the organization as a whole. As the NCF begins its 20th year, the staff looks forward to continued forward momentum, the establishment of new partnerships and the maintenance of the many existing relationships, and becoming ever more sustainable to continue the positive impact already made on the Northville community.

St. Mary Mercy is annual sponsor of community parade

In what has become a tradition during the past 12 years, St. Mary Mercy Hospital is once again the main sponsor of the Northville Independence Day Parade.

The hospital has, for more than a decade, participated in the parade with a float and moving display filled with hospital staff celebrating both the hospital and the community. This year the All Star Salute to the U.S.A! will prominently feature a creative effort from the hospital.

The parade is a perfect fit with the mission statement of both St. Mary Mercy and the Northville Community Foundation, which organizes the event annually. Both are dedicated to the improvement and betterment of community life and well being for the area.

St. Mary Mercy Livonia, located at 36475 Five Mile Road at Levan in Livonia, provides acute-care medical

and health services to the community. The hospital was founded and opened by the Felician Sisters in 1959. St. Mary Mercy Hospital is a member of Saint Joseph Mercy Health System, a health care organization serving six counties in southeast Michigan with a combined 1,726 licensed beds, more than 14,000 employees and nearly 2,700 physicians. Saint Joseph Mercy Health System is part of Trinity Health, one of the largest multi-institutional Catholic health care delivery systems in the nation, serving communities in 21 states with 86 hospitals, 128 continuing care facilities and home health and hospice programs. St. Mary Mercy Livonia is a community-based hospital, providing comprehensive and compassionate care throughout its 304-bed hospital and outpatient services. Specialized medical services include:

> *St. Mary Mercy Livonia is a community-based hospital, providing comprehensive and compassionate care...*

- 24-hour emergency care
- Senior ER
- Trauma services
- Surgery, including robotic surgery
- Cardiology and cardiac rehabilitation
- Oncology and radiology

Golden anniversary

Honeymoon car marks 50th wedding celebration with couple

One of the vintage vehicles rolling down the parade route during the Northville 4th of July Parade really is like a member of the owner's family.

The 1966 dark metallic-green Ford Fairlane convertible is the car that Ben and Carol Wold drove away from their wedding ceremony more than 50 years ago. It is also the car that took each of their infant children on their very first ride, home from the hospitals where they were born.

"We've had it a long time," Ben Wold said of the family car that has been a feature of the couple's half a century of marriage. The couple celebrated their 50th wedding anniversary earlier this year with a cruise and a family trip to DisneyWorld.

The Fairlane was the family vehicle for many years and Carol Wold drove it to visit her new husband when he was at basic training for the National Guard at Ft. Leonard Wood in 1967 not long after their honeymoon. The couple met when both were students at Iowa State University and became engaged in 1966, the same year Wold bought the car and started his career in the finan-

cial department of Ford Motor Co. They married in March of 1967 and Carol Wold taught school before the couple started their family.

The Wolds, and the Fairlane, moved to Michigan in 1973 when the Ford plant in Iowa was closed and Wold was transferred.

The Fairlane convertible continued to be the family car for another two years, Wold said, until they officially retired the vehicle in "about 1975." The car was stored on a farm in Iowa and was occasionally driven by Carol Wold's father in local parades. The Fairlane came home to the Wold family in Northville in 2002 when they drove it back from Iowa.

"The car has only had a little work, really," Wold said. "The top had to be replaced, it rotted, and the car has been repainted," he said, "to the original color."

The couple has shown off the car during the Woodward Avenue Dream Cruise five or six times, Wold said, and occasionally, his son, Dana, a Farmington Hills resident, has driven the car in the Dream Cruise. The Wolds have driven it in the Northville parade for five or six years.

"We do take it out every now and again just to get it a little exercise,"

See **Anniversary,** page 12

Ben and Carol Wold, above, rode from their wedding on March 25, 1967 in the 1966 Ford Fairlane the couple will ride in during the parade.

Wold said. He said that quite often people do comment on the condition of the car when the couple takes it out for a drive. He said that one of his favorite experiences was during the dream cruise a few years ago when the car was stopped at a light and a photographer from the New York Times jumped into the car to take photos of the rest of the cruise.

"The writer wasn't with him so we weren't mentioned, but the pictures were printed," Wold said.

"The only problem with the car is that it doesn't have air conditioning," Wold said. "That wasn't a problem when were younger, but these days, we miss it."

In addition to their son, Dana, the couple has a daughter, Carol, and grandchildren, Cameron, Brendan and Kendall.

On a roll

One of the highlights every year of the Independence Day parade is the Bike Parade, when children throughout Northville decorate their bikes in the most patriotic fashion possible. Sparkling sequins, flashing mylar, balloons and streamers all add to the red, white and blue themed rides that travel the entire parade route. The bike parade is sponsored annually by Northville Meijer and the company awards a $50 gift certificate to the Best Decorated Girl's Bike and the Best Decorated Boy's Bike in the parade. There is no age limit and no entry form. The only requirement is a decorated bike ready for the parade line up July 4.

Down on the Farm

Local working farm offers education and entertainment

Maybury Farm has been a landmark in the community for more than a century and continues to be a destination for children and families to experience the joy and wonder of a working farm with livestock, agriculture, farmland and forests.

Maybury is a working farm designed and operated to connect the community to animals and agriculture through hands-on experiences that are both engaging and educational. Situated on 85 acres of farmland and forest, the opportunities to enjoy and learn about Michigan farming, agriculture and habitats is a unique community treasure.

Dozens of farm animals provide opportunities to teach children about the importance of animals in each of our daily lives while a U-Pick farm garden full of fresh vegetables shows children the real origin of much of their daily diets. The farm also includes a playground, large picnic area, and a General Store with gifts including Michigan-made maple syrup and honey from the Maybury Farm hives

Maybury Farm offers educational tours that are enjoyed by thousands of children from all over Southeast Michigan each year. The tours are designed to integrate with Michigan science standards.

Maybury Farm is operated by the Northville Community Foundation, a 501(c)(3) nonprofit organization. The Farm receives no tax dollars to operate and relies on the support and generosity of guests, donors, and corporate sponsors to operate and provide quality educational programming and engaging events for families.

Current events at the Farm include:

Learning Barn Storytime

Learning Barn Storytime at 11 a.m. every Wednesday and Thursday June through September.

Children will love hearing stories and learning about the wonderful world of farm animals and agriculture They can then visit the Maybury Farm animals and enjoy time on the playground and picnic area.
